As part of this extraordinary tour, immerse yourself in the heart of Egyptian culture through engaging folklore, traditional fashion, and hands-on workshops. From intricate craftsmanship to folkloric tales, every moment promises to deepen your understanding and appreciation of Egypt's diverse heritage enriching our own life through connection and adventure

Welcome to our Egypt Immersion

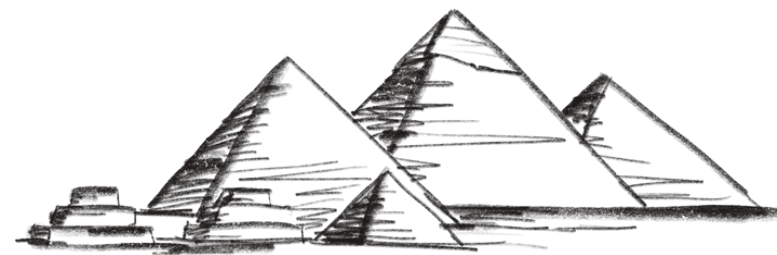

# Alternative Eye

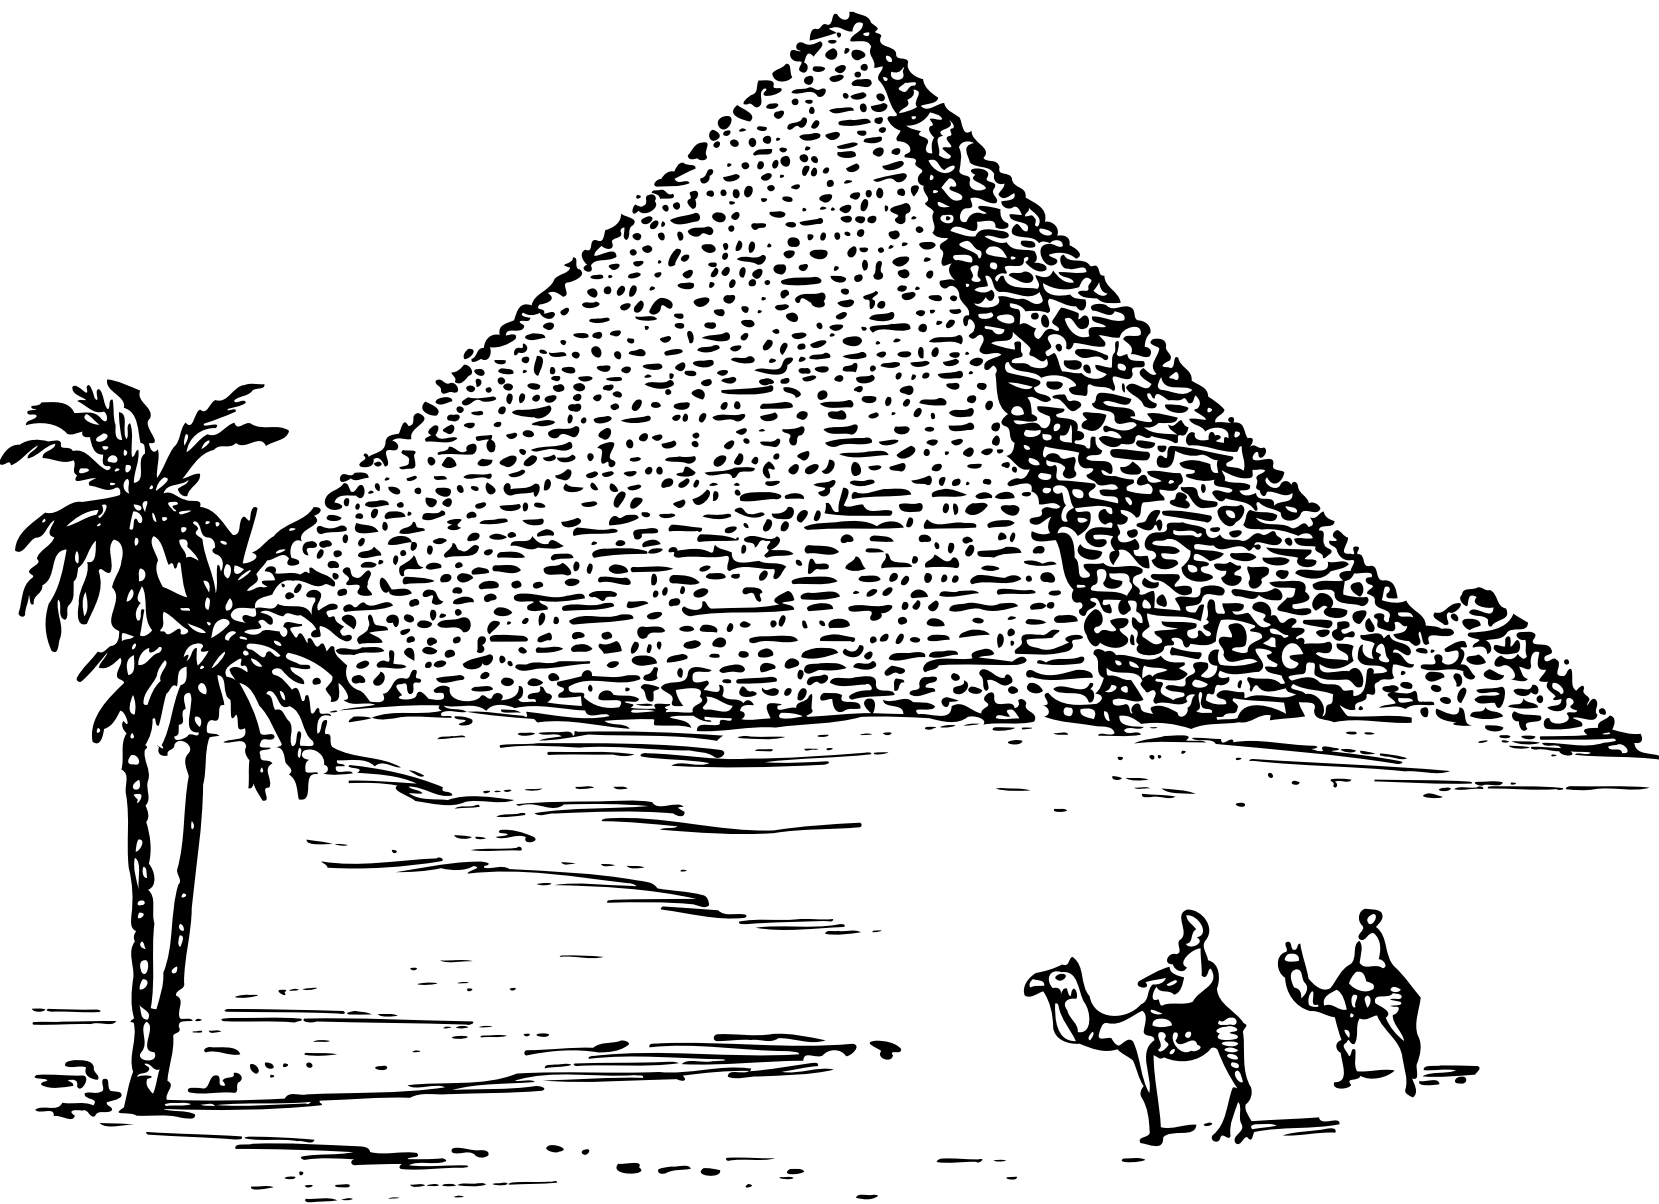

I show you Egypt from a locals eye, we allow time for enjoyment and integration over checking boxes.

Before living in Egypt I traveled a lot and found that travel opened me up and expanded my mind well beyond and trainings, therapies or treatments....

Come on one of the greatest adventures of your life to The mother of the World. As we catch the vibe of the intentionality of the Ancient Egyptians we also tap in to the very live current of modern life in Egypt.... we discover mysteries around us but also inside us as well.

Cairo-Luxor Experience October 2025

I create a tailored experience for my guests making them feel elegant, gorgeous, and culturally appropriate throughout the entire Egypt tour. Style and presentation are key, so I provide coaching on cultural appropriateness, elegance, and timelessness from the moment you book. Before you even leave home, I offer personalized advice on fabric cuts, color schemes, and styling. After receiving the deposit, I analyze your personal brand colors and take measurements to ensure the perfect fit for your tour wardrobe.
